

Chair's report for November 2017

On Thursday 12 October 'Shrewton Showcase 2017' was held at the Social Club. The event was well attended and initial feedback is that a future event on similar lines would be welcomed.

On Monday 30 October I attended the Community Area Transport Group (CATG) meeting in Amesbury.

Further reports from the Chair relate to the traffic group and are reported as such.

This concludes the Chair's report.
