

SHREWTON MILITARY LIAISON REPORT - 7 MARCH 2018

MOD Road Signs

The signs have been produced and passed to me by Tom from Landmarc (and Traffic Working Group). I have met with Highways who have agreed the contractor, Ringway, will be responsible for the erection of the signs - hopefully this will take place by early April 2018.

Army Basing Programme

On 27 March 2018 anyone from Shrewton is welcome to attend the discussion on the work to construct the 500 houses in Durrington. Avon Valley College extension scheme will be included on the agenda and in attendance will be the contractor Lovell and a representative from Larkhill Garrison.
