

## **Traffic group report for June 2018**

The traffic group has not met this month, however some items have been put forward as an agenda for discussion for a meeting yet to be arranged.

The A303 continues to dominate our lives and cause controversy; most recently an MP from Essex applied for and obtained a debate in the 2<sup>nd</sup> chamber at Westminster Hall to obtain reassurance that the project would not affect Blick Mead.

Although it hasn't met the members of the traffic group do keep in contact, the hope is that a meeting will occur before next month.

This concludes the traffic group report.
