

## **Chair's report for November 2018**

On 20 October a 'Village clean-Up' day was held. Quite a few bags of rubbish were collected and I would like to thank all who gave up their time to help tidy our village.

A 'bus survey' was distributed with the recent edition of 'Arrowhead'. At the time of writing three replies have been received directly to me but there are still three weeks left before the requested 1 December return date.

This concludes the Chair's report.
