

Chair's report for March 2020

On 14 February I attended the Community Area Transport Group meeting, feedback from this will be included in the Traffic Group report.

A Salisbury Journal (27 February 2020) front page article stated that the Stonehenge Tunnel scheme was to be scrapped. Highways England has responded that 'This is pure speculation. The A303 Stonehenge scheme is going through proper planning process and we are awaiting a final decision from the Secretary of State for Transport.'

Members of your Parish Council attend meetings relating to this project, at this time we do not have any further information.

Rich Keysor, Shrewton.Com's webmaster, is stepping down. I would like to thank him for his work and wish him well for the future.

This concludes the Chair's report.
