Open Forum. Member of the public thanked the Parish Council, in particular Cllr Parrett, for acting promptly in response to her concerns over the access over the ford. She also asked if there was a possibility of horse riders being able to go from Byway 32 to 27 without going on the road. The Parish Council aren't aware of how this can be achieved, however additional 'horse riders' signage may be possible, Cllr Hassett will take this forward.
Member of public from London Road handed Cllr Harris a letter to read and contact him. He raised further concerns of speeding traffic on London Road and questioned the accuracy of the SIDs. He also asked about Lorry watch. This has been previously reported by the Parish Council, due to lack of evidence and insufficient volunteers the scheme was not progressed.
Another member of public raised concerns regarding youths setting fire to wood in the premises of The George, this is private land and therefore not a Parish Council matter.

The meeting closed at 7.26 pm
